PROVISIONAL PROGRAMME

The provisional programme includes proposals for panels, roundtable discussions and individual papers submitted to the ICCEES 2010 Organizing Committee in the spring of 2009. They were reviewed and accepted by the ICCEES International Academic Committee at a meeting in May 2009. Some proposals were submitted later and were retroactively reviewed and approved by members of the IAC.

In this provisional version, the programme includes only those papers for which abstracts have been submitted by 3 March 2010. Those panel contributors who have not as yet submitted their abstracts are kindly asked to do so as soon as possible.

This preliminary program is published with reservations for possible changes. Final times and locations can only be given in the final programme, which will be published at www.iccees2010.se by April 2010.
